CO-BROKERS COMMENTS

This ship is extremely suitable both as a houseboat and as a sailing ship. The finishing details are in consultation so that a unique design is created. The price is based on a basic airframe. The hull is built on a shipyard in Friesland from shipbuilding steel and can also be completely finished there.

BOWCREST MARINE COMMENTS

Beautiful hull form for a New Build replica Tjalk barge. Purchasers have the opportunity to agree their own specification with the yard to complete the build.
