CO-BROKERS COMMENTS

Striker, built as a work ship, from 1969. Sold by a sailing school. Here they had the storage of the sailing gear and a workplace for repair. Engine has not run since 2000. Bilge pumps working. Ship has just been at the yard. She is doubled to 6mm. Has a new surface report and is primed. Since the ship mainly serves as storage, an alternative is currently being sought. Beautiful object for conversion into a home.

BOWCREST MARINE COMMENTS

A great opportunity to purchase a basic Spits Hull ready for total rebuild. The ABC engine must be replaced as spares are no longer available. This barge could be restored and put back into full sailing condition but it needs someone with deep pockets and a lot of vision.

Bowcrest Marine give notice that: these particulars do not constitute part of an offer or contract: they are for the guidance only of prospective purchasers and must not be relied upon as statements of fact: the descriptions provided herein represent the opinions of the author and whilst given in good faith should not be construed as statements of fact: nothing in these particulars shall be deemed a statement that the vessel is in good condition or otherwise nor that any installations or equipment or component parts thereof are in good working order. All prospective purchasers are strongly advised to engage the services of a Qualified Marine Surveyor experienced in this particular type of vessel.

Bowcrest Marine geeft hierbij aan dat dit document uitsluitend bedoeld is als een informatie document die door ons is opgesteld naar beste weten en vertrouwen.
