CO-BROKERS COMMENTS

Skûtsje Hoop op Zegen was built in 1906 in Sneek and was restored in 1979 to a sailing ship with a saddle roof propeller. This has created more space inside and there is headroom up to the masthead. With its spacious cockpit, large seating area and open kitchen in the deckhouse, skûtsje Hoop op Zegen is a comfortably furnished flat-bottomed boat for 12 people.

For more sailing comfort, the skûtsje is equipped with a bow thruster.

BOWCREST MARINE COMMENTS

A really lovely little Skutsje in super condition and ready to sail. With lovely dimensions she offers a lot of space and with minor re-configuration to reduce the number of sleeping berths she could be a super liveboard/cruising home for someone.

Bowcrest Marine give notice that: these particulars do not constitute part of an offer or contract: they are for the guidance only of prospective purchasers and must not be relied upon as statements of fact: the descriptions provided herein represent the opinions of the author and whilst given in good faith should not be construed as statements of fact: nothing in these particulars shall be deemed a statement that the vessel is in good condition or otherwise nor that any installations or equipment or component parts thereof are in good working order. All prospective purchasers are strongly advised to engage the services of a Qualified Marine Surveyor experienced in this particular type of vessel.
